[CHAPTER 464—3D SESSION]

[H. R. 10238]

AN ACT

Making appropriations for the Department of Agriculture and for the Farm Credit Administration for the fiscal year ending June 30, 1939, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the following sums are appropriated, out of any money in the Treasury not otherwise appropriated, for the Department of Agriculture and for the Farm Credit Administration for the fiscal year ending June 30, 1939, namely:

TITLE I—DEPARTMENT OF AGRICULTURE

OFFICE OF THE SECRETARY

SALARIES

For the Secretary of Agriculture, Under Secretary of Agriculture, Assistant Secretary, Director of Finance and Budget Officer at \$8,500 so long as the position is held by the present incumbent, and for other personal services in the District of Columbia, and elsewhere, \$581,920: *Provided*, That in expending appropriations or portions of appropriations contained in this Act for the payment of personal services in the District of Columbia in accordance with the Classification Act of 1923, as amended, with the exception of the Assistant Secretary, the average of the salaries of the total number of persons under any grade in any bureau, office, or other appropriation unit shall not at any time exceed the average of the compensation rates specified for the grade by such Act as amended and in grades in which only one position is allocated the salary of such position shall not exceed the average of the compensation rates for the grade, except that in unusually meritorious cases of one position in a grade advances may be made to rates higher than the average of the compensation rates of the grade but not more often than once in any fiscal year and then only to the next higher rate: *Provided further*, That this restriction shall not apply (1) to grades 1, 2, 3, and 4 of the clerical-mechanical service, or (2) to require the reduction in salary of any person whose compensation was fixed as of July 1, 1924, in accordance with the rules of section 6 of such Act, (3) to require the reduction in salary of any person who is transferred from one position to another position in the same or different grade, in the same or different bureau, office, or other appropriation unit, (4) to prevent the payment of a salary under any grade at a rate higher than the maximum rate of the grade when such higher rate is permitted by the Classification Act of 1923, as amended, and

is specifically authorized by other law, or (5) to reduce the compensation of any person in a grade in which only one position is allocated: *Provided further*, That the Secretary of Agriculture is authorized to contract for stenographic reporting services, and the appropriations made in this Act shall be available for such purposes: *Provided further*, That the Secretary of Agriculture is authorized to expend from appropriations available for the purchase of lands not to exceed \$1 for each option to purchase any particular tract or tracts of land: *Provided further*, That not to exceed \$40,000 of the appropriations available for salaries and expenses of officers and employees of the Department of Agriculture permanently stationed in foreign countries may be used for payment of allowances for living quarters, including heat, fuel, and light, as authorized by the Act approved June 26, 1930 (5 U. S. C. 118a): *Provided further*, That with the approval of the Secretary of Agriculture employees of the Department of Agriculture stationed abroad may enter into leases for official quarters, for periods not exceeding one year, and may pay rent, telephone, subscriptions to publications, and other charges incident to the conduct of their offices and the discharge of their duties, in advance, in any foreign country where custom or practice requires payment in advance: *Provided further*, That no part of the funds appropriated by this Act shall be used for the payment of any officer or employee of the Department of Agriculture who, as such officer or employee, or on behalf of the Department or any division, commission, or bureau thereof, issues, or causes to be issued, any prediction, oral or written, or forecast with respect to future prices of cotton or the trend of same: *Provided further*, That no part of the funds appropriated by this Act shall be used for laboratory investigations to determine the possibly harmful effects on human beings of spray insecticides on fruits and vegetables.

MISCELLANEOUS EXPENSES, DEPARTMENT OF AGRICULTURE

For stationery, supplies, materials, and equipment, freight, express, and drayage charges, advertising and press clippings, communication service, postage, washing towels, repairs, and alterations; for the maintenance, repair, and operation of one motorcycle and not to exceed three motor-propelled passenger-carrying vehicles (including one for the Secretary of Agriculture, one for general utility needs of the entire Department, and one for the Forest Service) and purchase of one motor-propelled passenger-carrying vehicle at not to exceed \$1,500, including the exchange value of one such vehicle, for official purposes only; for official traveling expenses, including examination of estimates for appropriations in the field for any bureau, office, or service of the Department; and for other miscellaneous supplies and expenses not otherwise provided for and necessary for the practical and efficient work of the Department, which are authorized by such officer as the Secretary may designate, \$108,250: *Provided*, That this appropriation shall be available for the payment of salaries of employees engaged in the maintenance, repair, and operation of motor transport vehicles, and that this appropriation shall be reimbursed from the appropriation made for any bureau or office for which such service is performed, in accordance with the provisions of the

Act of May 11, 1922 (5 U. S. C. 543): *Provided further*, That the Secretary of Agriculture, during the fiscal year for which this appropriation is made, may maintain stocks of stationery, supplies, equipment, and miscellaneous materials sufficient to meet, in whole or in part, requirements of the bureaus and offices of the Department in the city of Washington and elsewhere, but not to exceed in the aggregate \$200,000 in value at the close of the fiscal year, and the appropriations of such bureaus, offices, and agencies available for the purchase of stationery, supplies, equipment, and miscellaneous materials shall be available to reimburse the appropriation for miscellaneous expenses current at the time supplies are allotted, assigned, or issued, or when payment is received; for transfer for the purchase of inventory; and for transfer pursuant to the provisions of section 601 of the Act approved June 30, 1932 (31 U. S. C. 686): *Provided further*, That the appropriations made hereunder shall be available for the payment of salaries and expenses for purchasing, storing, handling, packing, or shipping supplies and blank forms, and there shall be charged proportionately as a part of the cost of supplies issued an amount to cover such salaries and expenses, and in the case of blank forms and supplies not purchased from this appropriation an amount to cover such salaries and expenses shall be charged proportionately to the proper appropriation: *Provided further*, That the facilities of the central storehouse of the Department shall to the fullest extent practicable be used to make unnecessary the maintenance of separate bureau storehouse activities in the Department: *Provided further*, That a separate schedule of expenditures, transfers of funds, or other transactions hereunder shall be included in the annual Budget.

C. 112-119, 130), establishing a Bureau of Animal Industry, and the provisions of the Act approved March 3, 1891 (45 U. S. C. 75, 76), providing for the safe transport and humane treatment of export cattle from the United States to foreign countries, and for other purposes; the Act approved August 30, 1890 (21 U. S. C. 101-105), providing for the importation of animals into the United States, and for other purposes; and the provisions of the Act approved February 2, 1903 (21 U. S. C. 111-113, 120-122), to enable the Secretary of Agriculture to more effectually suppress and prevent the spread of contagious and infectious diseases of livestock, and for other purposes; and also the provisions of the Act approved March 3, 1905 (21 U. S. C. 123-128), to enable the Secretary of Agriculture to establish and maintain quarantine districts, to permit and regulate the movement of cattle and other livestock therefrom, and for other purposes; and for carrying out the provisions of the Act of June 29, 1906 (45 U. S. C. 71-74), entitled "An Act to prevent cruelty to animals while in transit by railroad or other means of transportation"; and for carrying out the provisions of the Meat Inspection Act of June 30, 1906 (21 U. S. C. 95), as amended by the Act of March 4, 1907 (21 U. S. C. 71-94), as extended to equine meat by the Act of July 24, 1919 (21 U. S. C. 96), and as authorized by section 2 (a) of the Act of June 26, 1934 (31 U. S. C. 725a); and for carrying out the provisions of the Act approved March 4, 1913 (21 U. S. C. 151-158), regulating the preparation, sale, barter, exchange, or shipment of any virus, serum, toxin, or analogous products manufactured in the United States and the importation of such products intended for use in the treatment of domestic animals; and for carrying out the provisions of the Packers and Stockyards Act, approved August 15, 1921 (7 U. S. C. 181-229), as amended by the Act of August 14, 1935 (7 U. S. C. 218-218d); and the Secretary of Agriculture, upon application of any exporter, importer, packer, owner, agent of, or dealer in livestock, hides, skins, meat, or other animal products, may, in his discretion, make inspections and examinations at places other than the headquarters of inspectors for the convenience of said applicants and charge the applicants for the expenses of travel and subsistence incurred for such inspections and examinations, the funds derived from such charges to be deposited in the Treasury of the United States to the credit of the appropriation from which the expenses are paid; and to enable the Secretary of Agriculture to collect and disseminate information concerning livestock and animal products; to prepare and disseminate reports on animal industry; to employ persons and means in the city of Washington or elsewhere; to purchase in the open market samples of all tuberculin, serums, antitoxins, or analogous products, of foreign or domestic manufacture, which are sold in the United States, for the detection, prevention, treatment, or cure of diseases of domestic animals, to test the same, and to disseminate the results of said tests in such manner as he may deem best; to purchase and destroy diseased or exposed animals, including poultry, or quarantine the same whenever in his judgment essential to prevent

the spread of pleuro-pneumonia, tuberculosis, contagious poultry diseases, or other diseases of animals from one State to another, as follows:

General administrative expenses: For necessary expenses for general administrative purposes, including the salary of chief of bureau and other personal services in the District of Columbia, \$178,220.

Animal husbandry: For investigations and experiments in animal husbandry; for experiments in animal feeding and breeding, including cooperation with the State agricultural experiment stations and other agencies, including repairs and additions to and erection of buildings absolutely necessary to carry on the experiments, \$789,380, including \$12,500 for livestock experiments and demonstrations at Big Springs or elsewhere in Texas, to be available only when the State of Texas, or other cooperating agency in Texas, shall have appropriated an equal amount or, in the opinion of the Secretary of Agriculture, shall have furnished its equivalent in value in cooperation for the same purpose during the fiscal year 1939: *Provided*, That of the sum thus appropriated \$238,957 may be used for experiments in poultry feeding and breeding, of which amount \$40,000 may be used in cooperation with State authorities in the administration of regulations for the improvement of poultry, poultry products, and hatcheries.

Diseases of animals: For scientific investigations of diseases of animals, including the construction of necessary buildings at Beltsville, Maryland, and necessary expenses for investigations of tuberculin, serums, antitoxins, and analogous products, \$447,000: *Provided*, That of said sum \$78,182 may be used for researches concerning the cause, modes of spread, and methods of treatment and prevention of the disease of contagious abortion of animals.

Eradicating tuberculosis and Bang's disease: For the control and eradication of the diseases of tuberculosis and paratuberculosis of animals, avian tuberculosis, and Bang's disease of cattle, \$5,403,000, together with the unobligated balances of the funds made available by the Act of May 25, 1934 (48 Stat. 805), and section 37 of the Act of August 24, 1935 (49 Stat. 775-776): *Provided*, That in carrying out the purpose of this appropriation, if in the opinion of the Secretary of Agriculture it shall be necessary to condemn and destroy tuberculous or paratuberculous cattle, or cattle reacting to the test for Bang's disease, and if such animals have been destroyed, condemned, or die after condemnation, he may, in his discretion, and in accordance with such rules and regulations as he may prescribe, expend in the city of Washington or elsewhere such sums as he shall determine to be necessary for the payment of indemnities to owners of such animals but, except as hereinafter provided, no part of the money hereby appropriated shall be used in compensating owners of such cattle except in cooperation with and supplementary to payments to be made by State, Territory, county, or municipality where condemnation of such cattle shall take place, nor shall any payment be made hereunder as compensation for or on account of any such animal if at the time of inspection or test, or at the time of condemnation thereof, it shall belong to or be upon the premises of any person, firm, or corporation to which it has been sold, shipped, or delivered for the purpose of being slaughtered: *Provided further*,

That out of the money hereby appropriated no payment as compensation for any cattle condemned for slaughter shall exceed one-third of the difference between the appraised value of such cattle and the value of the salvage thereof; that, except as hereinafter provided, no payment hereunder shall exceed the amount paid or to be paid by the State, Territory, county, and municipality where the animal shall be condemned; and that in no case shall any payment hereunder be more than \$25 for any grade animal or more than \$50 for any purebred animal: *Provided further*, That indemnity payments may be made for cattle slaughtered prior to May 1, 1939, even though the State, Territory, county, or municipality where animals are condemned has made no payment or has not equaled the Federal payment, but in no case arising under this proviso shall the Federal payment exceed the highest amount authorized to be paid at the time by the Federal Government in similar cases in any State contributing to such indemnity payments; and this proviso shall apply only to Bang's disease work: *Provided further*, That not to exceed \$100,000 of the amount herein made available may be used for continuation of scientific experimentation in diseases of livestock as authorized by section 37 of the Act of August 24, 1935 (7 U. S. C. 612b).

Eradicating cattle ticks: For the eradication of southern cattle ticks, \$503,940: *Provided*, That, except upon the written order of the Secretary of Agriculture, no part of this appropriation shall be used for the purchase of animals or in the purchase of materials for or in the construction of dipping vats upon land not owned solely by the United States, except at fairs or expositions where the Department of Agriculture makes exhibits or demonstrations; nor shall any part of this appropriation be used in the purchase of materials or mixtures for use in dipping vats except in experimental or demonstration work carried on by the officials or agents of the Bureau of Animal Industry.

Hog-cholera control: For the control and eradication of hog cholera and related swine diseases, by such means as may be necessary, including demonstrations, the formation of organizations, and other methods, either independently or in cooperation with farmers' associations, State or county authorities, \$122,000.

Inspection and quarantine: For inspection and quarantine work, including the eradication of scabies in sheep and cattle and dourine in horses, the inspection of southern cattle, the supervision of the transportation of livestock, and the inspection of vessels, the execution of the twenty-eight-hour law, the inspection and quarantine of imported animals, including the establishment and maintenance of quarantine stations and repairs, alterations, improvements, or additions to buildings thereon; the inspection work relative to the existence of contagious diseases, and the mallein testing of animals, \$680,000.

Meat inspection: For expenses in carrying out the provisions of the Meat Inspection Act of June 30, 1906 (21 U. S. C. 95), as amended by the Act of March 4, 1907 (21 U. S. C. 71-94), as extended to equine meat by the Act of July 24, 1919 (21 U. S. C. 96), and as authorized by section 2 (a) of the Act of June 26, 1934 (31 U. S. C. 725a), including the purchase of printed tags, labels, stamps, and certificates without regard to existing laws applicable to public printing, \$5,412,600.

Virus-Serum-Toxin Act: For carrying out the provisions of the Act approved March 4, 1913 (21 U. S. C. 151-158), regulating the preparation, sale, barter, exchange, or shipment of any virus, serum, toxin, or analogous product manufactured in the United States and the importation of such products intended for use in the treatment of domestic animals, \$218,712.

Marketing agreements with respect to hog cholera virus and serum: The sum of \$30,000 of the appropriation made by section 12 (a) of the Agricultural Adjustment Act, approved May 12, 1933, is hereby made available during the fiscal year for which appropriations are herein made to carry into effect sections 56 to 60, inclusive, of the Act approved August 24, 1935 (7 U. S. C. 851-855), entitled "An Act to amend the Agricultural Adjustment Act, and for other purposes", including the employment of persons and means in the District of Columbia and elsewhere.

Packers and Stockyards Act: For carrying out the provisions of the Packers and Stockyards Act, approved August 15, 1921 (7 U. S. C. 181-229), as amended by the Act of August 14, 1935 (7 U. S. C. 218-218d), \$381,879: *Provided*, That the Secretary of Agriculture may require reasonable bonds from every market agency and dealer, under such rules and regulations as he may prescribe, to secure the performance of their obligations, and whenever, after due notice and hearing, the Secretary finds any registrant is insolvent or has violated any provisions of said Act he may issue an order suspending such registrant for a reasonable specified period. Such order of suspension shall take effect within not less than five days, unless suspended or modified or set aside by the Secretary of Agriculture or a court of competent jurisdiction: *Provided further*, That the Secretary of Agriculture may, whenever necessary, authorize the charging and collection from owners of a reasonable fee for the inspection of brands appearing upon livestock subject to the provisions of the said Act for the purpose of determining the ownership of such livestock: *Provided further*, That such fee shall not be imposed except upon written request made to the Secretary of Agriculture by the Board of Livestock Commissioners, or duly organized livestock association of the States from which such livestock have originated or been shipped to market.

ERADICATION OF FOOT-AND-MOUTH AND OTHER CONTAGIOUS DISEASES OF ANIMALS

In case of an emergency arising out of the existence of foot-and-mouth disease, rinderpest, contagious pleuropneumonia, or other contagious or infectious disease of animals, which, in the opinion of the Secretary of Agriculture, threatens the livestock industry of the country, he may expend in the city of Washington or elsewhere any unexpended balances of appropriations heretofore made for this purpose in the arrest and eradication of any such disease, including the payment of claims growing out of past and future purchases and destruction, in cooperation with the States, of animals affected by or exposed to, or of materials contaminated by or exposed to, any such disease, wherever found and irrespective of ownership, under like or substantially similar circumstances, when such owner has complied with all lawful quarantine regulations: *Provided*, That the

payment for animals hereafter purchased may be made on appraisal based on the meat, dairy, or breeding value, but in case of appraisal based on breeding value no appraisal of any animal shall exceed three times its meat or dairy value, and, except in case of an extraordinary emergency, to be determined by the Secretary of Agriculture, the payment by the United States Government for any animals shall not exceed one-half of any such appraisements: *Provided further*, That the sum of \$5,000 of the unexpended balance of the appropriation of \$3,500,000 contained in the Second Deficiency Appropriation Act, fiscal year 1924, approved December 5, 1924, for the eradication of the foot-and-mouth disease and other contagious or infectious diseases of animals, is hereby made available during the fiscal year for which appropriations are herein made to enable the Secretary of Agriculture to control and eradicate the European fowl pest and similar diseases in poultry.

Total, Bureau of Animal Industry, \$14,136,731, of which amount not to exceed \$873,141 may be expended for departmental personal services in the District of Columbia, and not to exceed \$66,150 shall be available for the purchase of motor-propelled and horse-drawn passenger-carrying vehicles necessary in the conduct of field work outside the District of Columbia.

BUREAU OF DAIRY INDUSTRY

SALARIES AND EXPENSES

For carrying out the provisions of the Act approved May 29, 1924 (7 U. S. C. 401-404), establishing a Bureau of Dairying, for salaries in the city of Washington and elsewhere, and for all other necessary expenses, as follows:

General administrative expenses: For necessary expenses for general administrative purposes, including the salary of the Chief of Bureau and other personal services in the District of Columbia, \$70,495.

Dairy investigations: For conducting investigations, experiments, and demonstrations in dairy industry, cooperative investigations of the dairy industry in the various States, and inspection of renovated-butter factories, including repairs to buildings, not to exceed \$5,000 for the construction of buildings, \$646,910.

Total, Bureau of Dairy Industry, \$717,405, of which amount not to exceed \$343,510 may be expended for personal services in the District of Columbia.

BUREAU OF PLANT INDUSTRY

SALARIES AND EXPENSES

For the investigation of fruits, fruit trees, grain, cotton, tobacco, vegetables, grasses, forage, drug, medicinal, poisonous, fiber, and other plants and plant industries in cooperation with other branches of the Department, the State experiment stations, and practical farmers; for the erection of necessary farm buildings: *Provided*, That the cost of any building erected, except head houses connecting green-houses, shall not exceed \$2,500; and for the employment of persons and means in the city of Washington and elsewhere required for the

investigations, experiments, and demonstrations herein authorized, as follows:

General administrative expenses: For necessary expenses for general administrative purposes, including the salary of chief of bureau and other personal services in the District of Columbia, \$189,242.

Arlington Farm: For continuing the necessary improvements to establish and maintain a general experiment farm and agricultural station on the Arlington estate, in the State of Virginia, in accordance with the provisions of the Act of Congress approved April 18, 1900 (31 Stat. 135, 136), \$49,414.

Botany: For investigation, improvement, and utilization of wild plants and grazing lands, and for determining the distribution of weeds and means of their control, \$76,635, of which \$40,000 shall be expended for scientific investigation concerning control and eradication of whitetop, bind weed, and other noxious weeds.

Cereal crops and diseases: For the investigation and improvement of cereals, including corn, and methods of cereal production and for the study and control of cereal diseases, and for the investigation of the cultivation and breeding of flax for seed purposes, including a study of flax diseases, and for the investigation and improvement of broomcorn and methods of broomcorn production, \$532,371.

Cotton and other fiber crops and diseases: For investigation of the production of cotton and other fiber crops, including the improvement by cultural methods, breeding, and selection, fiber yield and quality, and the control of diseases, \$399,385, of which sum not less than \$14,700 shall be used for experimenting in Sea Island cotton, including its hybridization with other varieties.

Drug and related plants: For the investigation, testing, and improvement of plants yielding drugs, spices, poisons, oils, and related products and byproducts, \$47,139.

Dry-land agriculture: For the investigation and improvement of methods of crop production under subhumid, semiarid, or dry-land conditions, \$226,828: *Provided*, That no part of this appropriation shall be used for the establishment of any new field station.

Experimental greenhouse maintenance: For maintenance and operation of experimental greenhouses and adjacent experimental grounds and plots, \$77,372.

Forage crops and diseases: For the investigation and improvement of forage crops, including grasses, alfalfas, clovers, soybeans, lespedezas, vetches, cowpeas, field peas, and miscellaneous legumes; for the investigation of green-manure crops and cover crops; for investigations looking to the improvement of pastures; and for the investigation of forage-crop diseases and methods of control, \$294,993.

Forest pathology: For the investigation of diseases of forest and ornamental trees and shrubs, including a study of the nature and habits of the parasitic fungi causing the chestnut-tree bark disease, the white-pine blister rust, and other epidemic tree diseases, for the purpose of discovering new methods of control and applying methods of eradication or control already discovered, and including \$132,569 for investigations of diseases of forest trees and forest products, under section 3 of the Act approved May 22, 1928 (16 U. S. C. 581b), \$255,392.

Fruit and vegetable crops and diseases: For investigation and control of diseases, for improvement of methods of culture, propagation, breeding, selection, and related activities concerned with the production of fruits, nuts, vegetables, ornamentals, and related plants, for investigation of methods of harvesting, packing, shipping, storing and utilizing these products, and for studies of the physiological and related changes of such products during processes of marketing and while in commercial storage, \$1,289,182.

Genetics and biophysics: For biophysical investigations in connection with the various lines of work herein authorized, \$31,675.

Mycology and disease survey: For mycological collections and the maintenance of a plant-disease survey, \$45,818.

National Arboretum: For the maintenance and development of the National Arboretum established under the provisions of the Act entitled "An Act authorizing the Secretary of Agriculture to establish a National Arboretum, and for other purposes", approved March 4, 1927 (20 U. S. C. 191-194), including erection of buildings, employment of persons and means in the city of Washington and elsewhere, and traveling expenses of employees and advisory council, \$54,587, of which such amounts as may be necessary may be expended by contract or otherwise for the services of consulting landscape architects without reference to the Classification Act of 1923, as amended, or civil-service rules.

Nematology: For crop technological investigations, including the study of plant-infesting nematodes, \$48,961.

Plant exploration and introduction: For investigations in seed and plant introduction, including the study, collection, purchase, testing, propagation, and distribution of rare and valuable seeds, bulbs, trees, shrubs, vines, cuttings, and plants from foreign countries and from our possessions, and for experiments with reference to their introduction and cultivation in this country, \$200,933.

Plant nutrition: For plant-nutrition investigations, \$16,024.

Rubber and other tropical plants: For investigation of crops, from tropical regions, and for the study and improvement of rubber plants by cultural methods, breeding, acclimatization, adaptation, and selection, and for investigation of their diseases, \$46,749.

Seed investigations: For studying and testing commercial seeds, including the testing of samples of seeds of grasses, clover, or alfalfa, and lawn-grass seeds secured in the open market, and where such samples are found to be adulterated or misbranded the results of the tests shall be published, together with the names of the persons by whom the seeds were offered for sale, and for carrying out the provisions of the Act approved August 24, 1912 (7 U. S. C. 111-114), entitled "An Act to regulate foreign commerce by prohibiting the admission into the United States of certain adulterated grain and seeds unfit for seeding purposes", as amended by the Act approved April 26, 1926 (7 U. S. C. 111, 115, 116), \$72,293: *Provided*, That not to exceed \$250 of this amount may be used for meeting the share of the United States in the expenses of the International Seed Testing Congress in carrying out plans for correlating the work of the various adhering governments on problems relating to seed analysis or other subjects which the Congress may determine to be necessary in the interest of international seed trade.

Soil-fertility investigations: For soil investigations into causes of infertility; maintenance of productivity; effects of soil composition, cultural methods, and fertilizers on yield and quality of crops; and the properties, composition, formation, and transformation of soil organic matter, \$168,457.

Soil microbiology investigations: For investigations of the micro-organisms of the soil and their activities, including the testing of samples procured in the open market, of cultures for inoculating legumes, other crops, or soil, and the publication of results, and if any such samples are found to be impure, nonviable, or misbranded, the results of the tests may be published, together with the names of the manufacturers and of the persons by whom the cultures were offered for sale, \$39,854.

Sugar-plant investigations: For sugar-plant investigations, including studies of diseases and the improvement of sugar beets and sugar-beet seed, \$322,500.

Tobacco investigations: For the investigation and improvement of tobacco and the methods of tobacco production and handling, \$135,544.

Western irrigation agriculture: For investigations in connection with western irrigation agriculture, the utilization of lands reclaimed under the Reclamation Act, and other areas in the arid and semiarid regions, \$120,327.

Total, Bureau of Plant Industry, \$4,741,675, of which amount not to exceed \$1,504,573 may be expended for departmental personal services in the District of Columbia and not to exceed \$14,550 shall be available for the purchase of motor-propelled and horse-drawn passenger-carrying vehicles necessary in the conduct of field work outside the District of Columbia.

FOREST SERVICE

SALARIES AND EXPENSES

For the employment of persons and means in the District of Columbia and elsewhere to enable the Secretary of Agriculture to experiment and to make and continue investigations and report on forestry, national forests, forest fires, and lumbering, but no part of this appropriation shall be used for any experiment or test made outside the jurisdiction of the United States; to advise the owners of woodlands as to the proper care of the same; to investigate and test American timber and timber trees and their uses, and methods for the preservative treatment of timber; to seek, through investigations and the planting of native and foreign species, suitable trees for the treeless regions; to erect necessary buildings: *Provided*, That the cost of any building purchased, erected, or as improved, exclusive of the cost of constructing a water-supply or sanitary system and of connecting the same with any such building, and exclusive of the cost of any tower upon which a lookout house may be erected, shall not exceed \$7,500, with the exception that any building erected, purchased, or acquired, the cost of which was \$7,500 or more, may be improved out of the appropriations made under this Act for the Forest Service by an amount not to exceed 2 per centum of the cost

of such building as certified by the Secretary of Agriculture; to protect, administer, and improve the national forests, including tree planting and other measures to prevent erosion, drift, surface wash, soil waste, and the formation of floods, and to conserve water and including the payment of rewards under regulations of the Secretary of Agriculture for information leading to the arrest and conviction for violation of the laws and regulations relating to fires in or near national forests, or for the unlawful taking of, or injury to, Government property; to ascertain the natural conditions upon and utilize the national forests, to transport and care for fish and game supplied to stock the national forests or the waters therein; to collate, digest, report, and illustrate the results of experiments and investigations made by the Forest Service; to purchase law books, reference and technical books, and technical journals for officers of the Forest Service stationed outside of Washington, and for medical supplies and services and other assistance necessary for the immediate relief of artisans, laborers, and other employees engaged in any hazardous work under the Forest Service: *Provided further*, That the appropriations for the work of the Forest Service shall be available for meeting the expenses of warehouse maintenance and the procurement, care, and handling of supplies and materials stored therein for distribution to projects under the supervision of the Forest Service and for sale and distribution to other Government activities, the cost of such supplies and materials, including the cost of supervision, transportation, and handling, to be reimbursed to appropriations current at the time additional supplies and materials are produced for warehouse stocks from the appropriations chargeable with the cost of stock issued, as follows:

General administrative expenses: For necessary expenses for general administrative purposes, including the salary of the Chief Forester, for the necessary expenses of the National Forest Reservation Commission as authorized by section 14 of the Act of March 1, 1911 (16 U. S. C. 514), and for other personal services in the District of Columbia, \$607,500.

National forest protection and management: For the administration, protection, use, maintenance, improvement, and development of the national forests, including the establishment and maintenance of forest tree nurseries, including the procurement of tree seed and nursery stock by purchase, production, or otherwise, seeding and tree planting and the care of plantations and young growth; the maintenance and operation of aerial fire control by contract or otherwise, including the purchase of one airplane; the maintenance of roads and trails and the construction and maintenance of all other improvements necessary for the proper and economical administration, protection, development, and use of the national forests, including experimental forests: *Provided*, That where, in the opinion of the Secretary of Agriculture, direct purchases will be more economical than construction, improvements may be purchased; the construction, equipment, and maintenance of sanitary, fire preventive, and recreational facilities; control of destructive forest tree diseases and insects; timber cultural operations; development and application of fish and game management plans; propagation and transplanting of plants suitable for planting on semiarid portions of the national

forests; estimating and appraising of timber and other resources and development and application of plans for their effective management, sale, and use; examination, classification, surveying, and appraisal of land incident to effecting exchanges authorized by law and of lands within the boundaries of the national forests that may be opened to homestead settlement and entry under the Act of June 11, 1906 (16 U. S. C. 506-509), and the Act of August 10, 1912 (16 U. S. C. 506), as provided by the Act of March 4, 1913 (16 U. S. C. 512); and all expenses necessary for the use, maintenance, improvement, protection, and general administration of the national forests, including lands under contract for purchase or for the acquisition of which condemnation proceedings have been instituted under the Act of March 1, 1911 (16 U. S. C. 521), and the Act of June 7, 1924 (16 U. S. C. 471, 499, 505, 564-570), lands transferred by authority of the Secretary of Agriculture from the Resettlement Administration to the Forest Service, and lands transferred to the Forest Service under authority of the Bankhead-Jones Farm Tenant Act, \$11,569,754: *Provided*, That \$200 of this appropriation shall be available for the expenses of properly caring for the graves of fire fighters buried at Wallace, Idaho; Newport, Washington; and Saint Maries, Idaho.

Water rights: For the investigation and establishment of water rights, including the purchase thereof or of lands or interests in lands or rights-of-way for use and protection of water rights necessary or beneficial in connection with the administration and public use of the national forests, \$20,000.

Fighting forest fires: For fighting and preventing forest fires on or threatening the national forests and unappropriated public forest lands, \$100,000, which amount shall be immediately available.

Private forestry cooperation: For cooperation with and advice to timberland owners and associations, wood-using industries or other appropriate agencies in the application of forest management principles to private forest lands, so as to attain sustained yield management, the conservation of the timber resource, the productivity of forest lands, and the stabilization of employment and economic continuance of forest industries, \$100,000.

Forest research: For forest research in accordance with the provisions of sections 1, 2, 7, 8, 9, and 10 of the Act entitled "An Act to insure adequate supplies of timber and other forest products for the people of the United States, to promote the full use for timber growing and other purposes of forest lands in the United States, including farm wood lots and those abandoned areas not suitable for agricultural production, and to secure the correlation and the most economical conduct of forest research in the Department of Agriculture through research in reforestation, timber growing, protection, utilization, forest economics, and related subjects", approved May 22, 1928, as amended (16 U. S. C. 581, 581a, 581f-581i), as follows:

Forest management: Fire, silvicultural, and other forest investigations and experiments under section 2, as amended, at forest experiment stations or elsewhere, \$648,403.

Range investigations: Investigations and experiments to develop improved methods of management of forest and other ranges under section 7, at forest or range experiment stations or elsewhere, \$225,935.

Forest products: Experiments, investigations, and tests of forest products under section 8, at the Forest Products Laboratory, or elsewhere, \$628,361.

Forest survey: A comprehensive forest survey under section 9, \$250,000.

Forest economics: Investigations in forest economics under section 10, \$121,295.

Forest influences: For investigations and experiments at forest experiment stations or elsewhere for determining and demonstrating the influence of natural vegetative cover characteristic of forest, range, or other wild land on water conservation, flood control, stream-flow regulation, erosion, climate, and maintenance of soil productivity, and for developing preventive and control measures therefor, \$139,152.

In all, salaries and expenses, \$14,410,400; and in addition thereto there are hereby appropriated all moneys received as contributions toward cooperative work under the provisions of section 1 of the Act approved March 3, 1925 (16 U. S. C. 572), which funds shall be covered into the Treasury and constitute a part of the special funds provided by the Act of June 30, 1914 (16 U. S. C. 498): *Provided*, That not to exceed \$853,349 may be expended for departmental personal services in the District of Columbia: *Provided further*, That not to exceed \$1,000 may be expended for the contribution of the United States to the cost of the office of the secretariat of the International Union of Forest Research Stations.

FOREST-FIRE COOPERATION

For cooperation with the various States or other appropriate agencies in forest-fire prevention and suppression and the protection of timbered and cut-over lands in accordance with the provisions of sections 1, 2, and 3 of the Act entitled "An Act to provide for the protection of forest lands, for the reforestation of denuded areas, for the extension of national forests, and for other purposes, in order to promote continuous production of timber on lands chiefly valuable therefor", approved June 7, 1924 (16 U. S. C. 564-570), as amended, including also the study of the effect of tax laws and the investigation of timber insurance as provided in section 3 of said Act, \$2,000,000, of which not to exceed \$50,000 shall be available for departmental personal services in the District of Columbia and not to exceed \$2,500 for the purchase of supplies and equipment required for the purposes of said Act in the District of Columbia.

COOPERATIVE FARM FORESTRY

For cooperation with the various States in the procurement, production, and distribution of forest-tree seeds and plants in establishing windbreaks, shelterbelts, and farm wood lots upon denuded or nonforested lands within such cooperating States, under the provisions of section 4 of the Act entitled "An Act to provide for the protection of forest lands, for the reforestation of denuded areas, for the extension of national forests, and for other purposes, in order to promote the continuous production of timber on lands chiefly suitable therefor", approved June 7, 1924 (16 U. S. C. 567), and Acts supplementary thereto, \$100,000: *Provided*, That no part of the latter sum shall be expended in any State or Territory unless the State or

Territory, or local subdivision thereof, or individuals, or associations contribute a sum equal to that to be allotted by the Government or make contributions other than money deemed by the Secretary of Agriculture to be the value equivalent thereof; which amount shall be available for the employment of persons and means in the District of Columbia and elsewhere: *Provided further*, That no part of this appropriation shall be used to establish new nurseries or to acquire land for the establishment of such new nurseries.

ACQUISITION OF LANDS FOR NATIONAL FORESTS

For the acquisition of forest lands under the provisions of the Act approved March 1, 1911, as amended (16 U. S. C. 513-519, 521), including the transfer to the Office of the Solicitor of such funds for the employment by that office of persons and means in the District of Columbia and elsewhere as may be necessary in connection with the acquisition of such lands, \$3,000,000: *Provided*, That not to exceed \$112,500 of the sum appropriated in this paragraph may be expended for departmental personal services in the District of Columbia.

For the acquisition of land in accordance with the provisions of the Act entitled "An Act to facilitate the control of soil erosion and/or flood damage originating upon lands within the exterior boundaries of the Uinta and Wasatch National Forests, Utah", approved August 26, 1935 (49 Stat. 866), not to exceed \$50,000 from the entire receipts from the sale of natural resources or occupancy of public land within said national forests for the fiscal year 1938.

Total, Forest Service, \$19,560,400, of which amount not to exceed \$57,915 shall be available for the purchase of motor-propelled and horse-drawn passenger-carrying vehicles necessary in the conduct of field work outside the District of Columbia, and in addition thereto there is authorized for expenditure from funds provided for carrying out the provisions of the Federal Highway Act of November 9, 1921 (23 U. S. C. 21, 23), not to exceed \$7,087 for the purchase of motor-propelled passenger-carrying vehicles for use by the Forest Service in the construction and maintenance of national-forest roads.

BUREAU OF CHEMISTRY AND SOILS

SALARIES AND EXPENSES

For investigations, experiments, and demonstrations hereinafter authorized, independently or in cooperation with other branches of the Department of Agriculture, other departments or agencies of the Federal Government, States, State agricultural experiment stations, universities and other State agencies and institutions, counties, municipalities, business, or other organizations and corporations, individuals, associations, and scientific societies, including the employment of necessary persons and means in the city of Washington and elsewhere; and for erection, alteration, and repair of buildings outside the District of Columbia at a total cost not to exceed \$5,000, as follows:

General administrative expenses: For necessary expenses for general administrative purposes, including the salary of Chief of Bureau and other personal services in the District of Columbia, \$90,200.

Agricultural chemical investigations: For conducting the investigations contemplated by the Act of May 15, 1862 (5 U. S. C. 511, 512), relating to the application of chemistry to agriculture; for the biological, chemical, physical, microscopical, and technological investigation of foods, feeds, drugs, plant and animal products, and substances used in the manufacture thereof; for investigations of the physiological effects and for the pharmacological testing of such products and of insecticides; for the investigation and development of methods for the manufacture of sugars, sugar sirups and starches and the utilization of new agricultural materials for such purposes; for the technological investigation of the utilization of fruits and vegetables and for frozen pack investigations; for the investigation of chemicals for the control of noxious weeds and plants; and to cooperate with associations and scientific societies in the development of methods of analysis, \$372,500.

Industrial utilization of farm products and byproducts: For the investigation, development, experimental demonstration and application of methods for the industrial utilization of agricultural products, waste, and byproducts, and products made therefrom, except as otherwise provided for in this Act, by the application of chemical, physical, and technological methods, including the changes produced by micro-organisms such as yeasts, bacteria, molds, and fungi; the utilization for color, medicinal, and technical purposes of substances grown or produced in the United States, \$236,200, of which not to exceed \$25,000 shall be available for the construction and equipment of an experimental laboratory building, to be erected on land donated to the United States.

Agricultural fires and explosive dusts: For the investigation, development, experimental demonstration, and application of methods for the prevention and control of dust explosions and fires during the harvesting, handling, milling, processing, fumigating, and storing of agricultural products, and for other dust explosions and resulting fires not otherwise provided for, including fires in grain mills and elevators, cotton gins, cotton-oil mills, and other structures; the heating, charring, and ignition of agricultural products; fires on farms and in rural communities and other explosions and fires in connection with farm and agricultural operations, \$40,000.

Naval-stores investigations: For the investigation of naval stores (turpentine and rosin) and their components; the investigation and experimental demonstration of improved equipment, methods, or processes of preparing naval stores; the weighing, storing, handling, transportation, and utilization of naval stores; and for the assembling and compilation of data on production, distribution, and consumption of turpentine and rosin, pursuant to the Act of August 15, 1935 (5 U. S. C. 556b), \$79,400.

Soil survey: For the investigation of soils and their origin, for survey of the extent of classes and types, and for indicating upon maps and plats, by coloring or otherwise, the results of such investigations and surveys, \$298,708.

Soil chemical and physical investigations: For chemical, physical, and physical-chemical investigations of soil types, soil composition, and soil minerals, the soil solution, solubility of soil, and all chemical and physical properties of soils in their relation to soil formation, soil texture, erodibility, and soil productivity, \$76,700.

Fertilizer investigations: For investigations within the United States of fertilizers, fertilizer ingredients, including phosphoric acid and potash, and other soil amendments and their suitability for agricultural use, \$263,800.

Total, Bureau of Chemistry¹ and Soils, \$1,457,508, of which amount not to exceed \$1,003,541 may be expended for personal services in the District of Columbia, and not to exceed \$1,900 shall be available for the purchase of motor-propelled and horse-drawn passenger-carrying vehicles necessary in the conduct of field work outside the District of Columbia.

BUREAU OF ENTOMOLOGY AND PLANT QUARANTINE

SALARIES AND EXPENSES

For necessary expenses connected with investigations, experiments, and demonstrations for the promotion of economic entomology, for investigating and ascertaining the best means of destroying insects and related pests injurious to agriculture, for investigating and importing useful and beneficial insects and bacterial, fungal, and other diseases of insects and related pests, for investigating and ascertaining the best means of destroying insects affecting man and animals, to enable the Secretary of Agriculture to carry into effect the provisions of the Plant Quarantine Act of August 20, 1912, as amended, to conduct other activities hereinafter authorized, and for the eradication, control, and prevention of spread of injurious insects and plant pests, independently or in cooperation with other branches of the Federal Government, States, counties, municipalities, corporations, agencies, individuals, or with foreign governments; including the employment of necessary persons and means in the District of Columbia and elsewhere, rent, construction, or repair of necessary buildings outside the District of Columbia: *Provided*, That, unless otherwise specifically provided, the cost for the construction of any building shall not exceed \$1,500 and the total amount expended for such construction in any one year shall not exceed \$7,000, as follows:

S. C. 612), and by section 2 of the Independent Offices Appropriation Act, 1937, approved March 19, 1936 (49 Stat. 1183), in all, not to exceed \$500,000,000, to remain available until June 30, 1940, for compliances under said Act of February 29, 1936, as amended, pursuant to the provisions of the 1938 programs carried out during the period November 1, 1937, to December 31, 1938, inclusive: *Provided*, That no part of such amount shall be available for carrying out the pro-

visions of section 202 (f) of the Agricultural Adjustment Act of 1938, and not to exceed \$100,000 shall be available under the provisions of section 202 (a) to 202 (e), inclusive, of said Act to conduct a survey to determine the location of said laboratories and the scope of the investigations to be made and to coordinate the research work now being carried on: *Provided further*, That no part of such amount shall be available after June 30, 1939, for salaries and other administrative expenses except for payment of obligations therefor incurred prior to July 1, 1939: *Provided further*, That such amount shall be available for salaries and other administrative expenses in connection with the formulation and administration of the 1939 programs or plans now or hereafter authorized under section 7 or 8, or both, of said Act of February 29, 1936, or under said provisions of the Agricultural Adjustment Act of 1938: *Provided further*, That the Secretary of Agriculture may, in his discretion, from time to time transfer to the General Accounting Office such sums as may be necessary to pay administrative expenses of the General Accounting Office in auditing payments under this item: *Provided further*, That such amount shall be available for the purchase of seeds, fertilizers, lime, trees, or any other farming materials and making grants thereof to agricultural producers to aid them in carrying out farming practices approved by the Secretary of Agriculture in the 1938 and 1939 programs under said Act of February 29, 1936, as amended; for the reimbursement of the Tennessee Valley Authority or any other Government agency for fertilizers, seeds, lime, trees, or other farming materials furnished by such agency; and for the payment of all expenses necessary in making such grants including all or part of the costs incident to the delivery thereof: *And provided further*, That the funds provided by section 32 of the Act entitled "An Act to amend the Agricultural Adjustment Act, and for other purposes", approved August 24, 1935 (7 U. S. C. 612c), shall be available during the fiscal year 1939 for administrative expenses, in accordance with the provisions of section 392 of the Agricultural Adjustment Act of 1938, in carrying out the provisions of said section, including the employment of persons and means in the District of Columbia and elsewhere, in accordance with the provisions of law applicable to the employment of persons and means by Agricultural Adjustment Administration: *And provided further*, That in carrying out the provisions of the Third Deficiency Appropriation Act, fiscal year 1937, and section 381 (a) of the Agricultural Adjustment Act of 1938, as amended, relating to cotton price adjustment payments with respect to the 1937 cotton crop, in order to accelerate such payments the Secretary shall, notwithstanding said provisions, (1) treat all cotton not sold prior to September 10, 1937, as if it had been sold on a date when the average price of seven-eighths-inch Middling cotton on the ten designated spot cotton markets was less than 9 cents per pound; (2) make payment on the basis of applications filed prior or subsequent to July 16, 1938, on forms prescribed by the Secretary, by the 1937 operator or other person designated pursuant to regulations prescribed by the Secretary on behalf of all the producers on the farm in 1937 or by individual producers, provided that (a) payment will not be made to the 1938 operator of the farm unless he certifies that he has complied thereon with the requirements defined in said

section 381 (a), which certificate shall be taken to certify to such compliance on the part of all producers on the farm in 1938 who produced cotton in 1937, (b) payment shall not be delivered to any operator or producer until he has agreed in writing to refund the payment forthwith upon demand in case it is subsequently found that he has failed to comply with the requirements as defined herein and in said section 381 (a), (c) in cases where cotton was produced in 1937 on two or more producer units on the farm it shall be assumed that the production thereon was uniform, and (d) it shall be assumed that there was a total or partial crop failure resulting from hail, drought, flood, or boll-weevil infestation (which is defined to include any other insect or fungus) only if the yield in 1937 is below the base yield for the farm and in such case the total production shall be considered to be the normal yield for the farm multiplied by the number of acres planted to cotton in 1937; and (3) make payments, as soon as practicable, on the basis of his estimate of the amounts which will be covered by the applications to be filed and of the funds to be used out of the appropriation for the necessary administrative expenses of making the cotton price adjustment payments: *And provided further*, That in administering the naval stores conservation programs authorized in section 8 of the Soil Conservation and Domestic Allotment Act and in making payments thereunder to gum naval stores producers the Secretary may utilize the services of regional associations of such producers or any agency of the Government in lieu of the State, county, and other local committees utilized in the other agricultural conservation programs if he finds that more efficient administration will result, and the provisions of section 388 (b) of the Agricultural Adjustment Act of 1938 shall otherwise be applicable to the administration of said naval stores conservation programs.

FEDERAL CROP INSURANCE ACT
